WHAT IS THE TPA?

The TPA is a new assessment coming to Eastern Washington University in 2012. Teacher candidates must pass this assessment in order to receive their teaching credentials.

You will need to complete four tasks in order to complete the TPA and send the assessment in for evaluation.

HOW WILL I COMPLETE THE TPA?

Your professors will work with you to help you complete the TPA, but there is also a website that was created specifically for EWU students to help them get through the TPA.

Go to <http://ewu-tpa.wikispaces.com> to see examples of the four tasks you will have to carry out, including a sample video of an EWU graduate teaching a TPA lesson. On this website you will find tips and resources to help you complete the TPA, along with templates that will help you reach your goal.

When you're writing a flyer, write it so that someone who has never heard of your company can understand what you're offering as quickly as possible. Stay away from using jargon, acronyms, or complicated terms.

If you're not sure what to write, make a list of "what we do" and then a list of "why our products or services are the best." Use that information to create your flyer.
